HB&G

OUTDOOR LIVING

Easy to Install...Easy to Maintain...
We make Outdoor Living Easy!

CREATE YOUR OWN OASIS.

FIBERGLASS PERGOLAS

HB&G® manufactures fiberglass pergola kits using pultrusion technology to produce the strongest yet lightest structures available with a Limited Lifetime Warranty. Fiberglass pergolas provide a higher level of aesthetic appeal than wood or vinyl pergolas and the hollow columns and rafters act as a conduit to conceal wiring.

- Will Not Rot, Check, or Twist
- Low Maintenance
- Easy to Install
- Pre-finished with ChromaGuard® Engineered Coating
- Arbor-Loc® Tie-down System
- Limited Lifetime Warranty On Structure

SERENITY™ FIBERGLASS PERGOLA SERIES

HB&G's Serenity™ fiberglass pergolas are pre-finished with our exclusive white ChromaGuard® engineered coating and include our wind load rated Arbor-Loc® tie-down system and a choice of round or square PermaLite® columns. These beautiful and economical pergolas ship in a week.

Now with Napa Tails (Standard)

TRANQUILITY™ PREDESIGNED FIBERGLASS PERGOLA SERIES

Developed to streamline the design process, HB&G® introduces a new line of wind load rated predesigned freestanding and attached structural fiberglass pergolas. The Tranquility™ predesigned pergolas eliminate design and engineering time and costs allowing us to deliver your dream pergola in a shorter period of time and at a more economical price.

The Tranquility™ fiberglass pergolas ship in 2 weeks and come with our Napa rafter tails, and a choice of 10" x 8' Square PermaLite® or 10"x 8' Round Tapered PermaCast® columns, with the Arbor-Loc® tie-down system, and white ChromaGuard® engineered coating.

Tranquility™ freestanding fiberglass pergolas quickly transforms an uninspiring backyard into an affordable luxurious retreat for entertaining or a private hideaway for relaxing.

Tranquility™ attached fiberglass pergolas allow you to expand your indoor living space outdoors creating an extension of your homes livable square footage.

MOR-SHADE® FOR STRUCTURAL FIBERGLASS PERGOLAS

sunbrella®

HB&G® offers three ways to increase the shade provided by your pergola: Mor-Shade® Canopy, Purlin, and Shade Sail. Each option is specifically designed to be an attractive accent to your pergola and create a shelter from the sun's rays. The combination of an HB&G® pergola and a Mor-Shade® shade solution is the ultimate combination of beauty, function, and versatility to create your outdoor living room.

| Pacific | Wren | Terra Cotta |
| Indigo | Charcoal | Pebble |

**Color may differ slightly due to print settings.
Please call for more information.

MOR-SHADE® CANOPY

Designed for ease of use our exclusive Mor-Shade® Canopy slides on a wired system that is ready to install out of the box. The unique modular design is easy to install, just like our fiberglass pergolas, to enhance your outdoor living experience. Designed to quickly lock individual canopy panels in place to provide shelter from the sun or remove panels as quickly when the sun goes down.

MOR-SHADE® SHADE SAIL

The Mor-Shade® Shade Sail is a solid fabric cover that is easy to install and remove based on weather conditions and time of year.

*Mor-Shade® canopies must be removed when severe weather is anticipated or the warranty is void.

MOR-SHADE® PURLIN

Increase the size and number of purlin on the top of the pergola to increase the amount of shade provided by the pergola.

SOLACE™ FIBERGLASS PERGOLA SERIES

The flexible design of HB&G's contemporary Solace™ pergola makes it a smart choice. Manufactured to utilize our Mor-Shade® sail or canopy, Solace™ delivers shade with a crisp, clean appearance.

cPVC Painting and Finishing

Caulk where required using Siroflex® brand Sealant and Adhesive provided by manufacturer. Putty any holes using acrylic putty or caulk. Lightly sand or scuff surface of column. Clean surface of column to remove any dirt or hand oil residue with light detergent and water, denatured alcohol, or window cleaner. Be sure to remove soap residue with clean water. Apply one coat of 100% acrylic exterior primer and one or more finish coats of 100% acrylic exterior paint.

Do not paint columns using dark colors (dark colors are considered any color that falls within the L value of 56 to 0). L is a measure of lightness of an object and ranges from 0 (black) to 100 (white).

PRIVACY SCREENS

Add outdoor privacy with HB&G's Privacy Screens. Perfect for pool or dining areas or multi-family applications. Two standard sizes are available with Napa rafter tails.

Description	Column Size	Column Type
12" Privacy Screen	10"	PermaLite® Square
12' Corner Privacy Screen	10"	PermaLite® Square
